

Courses listed below have been selected by the Center for the Humanities. Each of these courses is highly recommended and fulfills the criteria outlined in the Public Humanities Minor description. This list is not meant to be exhaustive, however. It should serve as a guide to assist students in designing their own course of study. Before finalizing course selections students should contact Emily Clark (eclark2@wisc.edu) to approve their study form. Students taking the minor should also consult with a member of the Advisory Group to discuss other courses that may also be suitable for the minor.
