

HEX-U 2018-19 Application Summary

The following items are included in the online application. **This document is for your reference only. All applications must be submitted online** via <http://tinyurl.com/hexuapp>

Applications are due by midnight on one of the following deadlines:

Round One: **Wednesday, November 14, 2018**

Round Two: **Wednesday, March 6, 2019**

Page 1

Will your project be designed & implemented independently or with a team of students?

Page 2 – General Information

Tell us about yourself.

- Name
- Student ID Number
- Email Address
- Phone
- Madison Address

Degree Program (i.e. BA, BS, BSW, etc.), Major(s), and Certificate(s)

Total credits earned by August 2018

Anticipated Graduation Date

Cumulative GPA

Undergraduate Thesis Title & Summary (if applicable & known)

Did you attend any HEX-U Pre-Application Workshops, Info Sessions, HEX Lab Hours and/or meet with the HEX-U Program Coordinator prior to submitting this application? If so, please provide the date(s).

Professional Orientation & Qualifications

Using either OPTION 1 or 2 below, respond to each of the following:

- Why do you want this HEX-U opportunity?
- What are your goals for yourself, as a HEX-U Scholar?
- What makes you qualified to be a HEX-U Scholar?
 - Describe your background in humanities-oriented coursework, research, and/or extra-curricular activities, as well as any experience with community engagement and networking across different contexts.
- Describe your commitment to the humanities.

OPTION 1: **250 word maximum essay**. Consider copying & pasting text from a word processor into the textbox below.

OPTION 2: Indicate a hyperlink in the textbox below that links to either a **video clip (2 minute maximum)** or a **webpage (of comparable length; utilizing graphics, sound clips, hyperlinks, etc.)** you created to share this information about you. Applicants are responsible for ensuring the accuracy and accessibility of the video or webpage via the link. If selecting the webpage option, please be mindful of the short length of time the selection committee will have to engage with your page.

Time Management

Describe how you will spend your time on this project. How much time will you devote to the project on a weekly basis? What other commitments (i.e. hours spent studying and attending classes, employment, volunteer/service work, personal/familial obligations, and other extra-curricular activities) do you expect to have during the planning and implementation phases of your project? Give specific number of hours when possible. **Maximum 150 words**. [Copy & paste into textbox]

If your project will be designed & implemented with a team of students, you will be asked to indicate the **full names of each team member**. Note that each team member needs to submit a separate application. Project information can be identical across team members; however, other sections should be individualized to each applicant.

HEX-U Project Title

Community Partner: Name

Name of partner organization, if known. If unknown, you are encouraged to list names of organizations you may consider as potential partners for your project.

NOTE: All applicants proposing projects that would be in partnership with Madison Metropolitan School District (MMSD) are required to contact the HEX-U Program Coordinator ([Dipo Oyelele](#)) prior to submitting an application.

Community Partner: Informational Document (OPTIONAL)

You may upload one file that contains supplemental information on possible community partnerships, including materials from agencies you are considering working with.

Community Partner: Website (OPTIONAL)

You may enter the URL to a potential community partner's website as supplemental information.

Project Overview

Using either OPTION 1 or 2 below, briefly describe the following:

- Your project, its goals, and your target audience.
- Your vision (even if tentative) for a capstone to this project.
- If you are considering a specific community partner, how will your project address a need or needs identified by that organization? See [here](#) for questions to think about when assessing needs.

OPTION 1: **350 word maximum essay**. Copy/paste text from a word processor into the textbox below.

OPTION 2: Indicate a hyperlink in the textbox below that links to either a **video clip (2 minute maximum)** or a **webpage (of comparable length; utilizing graphics, sound clips, hyperlinks, etc.)** you created to share this information about your proposed project. Applicants are responsible for ensuring the accuracy and accessibility of the video or webpage via the link. If selecting the webpage option, please be mindful of the short length of time the selection committee will have to engage with your page.

Project Timeline

Upload a PDF of a brief, estimated timeline for your project (**1 page maximum**). See [here](#) for some sample timelines. Projects should be estimated to begin 6 or more weeks after the application deadline.

Project Budget

Upload a PDF of a tentative budget for your project (**1 page maximum**). If you expect to be receiving additional sources of funding for your project (e.g. grants, scholarships, employment or paid internship with partner, gifted contributions, etc.), please detail them in your budget.

Project Challenges

Briefly describe one major challenge you expect for your project, and how you plan to address it.

Maximum 100 words. [Copy & paste into textbox]

Page 5 – Documents & Media

Upload a PDF of your résumé or curriculum vitae.

Upload a PDF of your up-to-date [unofficial university transcript](#).
