Spring 2012 Course Suggestions

Courses listed below have been selected by members of the Public Humanities Advisory Group. Each of these courses is highly recommended and fulfills the criteria outlined in the Public Humanities Minor description. This list is not meant to be exhaustive, however. It should also serve as a guide to assist students in designing their own course of study. Before finalizing course selections students should contact Lenora Hanson (HEX@Humanities.wisc.edu) to approve their study form. Students taking the minor should also consult with a member of the Advisory Group to discuss other courses that may also be suitable for the minor. The course list, study form, and minor description can also be found at: <https://mywebspace.wisc.edu/lahanson3/PublicHumanitiesMinor>.

Please consult the Course Catalog for further information about these classes:
